Japanese cuisine is common fare here but ever heard of contemporary Tokyo cuisine? If we've piqued your interest and your appetite, get ready to taste a refreshingly modern fusion of traditional Japanese fare at **A971 CAFE**. The newly opened restaurant not only serves an exotic blend of dishes such as Shibuya Miso Nachos and "Teriyaki" Hamburger Steak; an array of uniquely-concocted cocktails, premium sakes and wines also await you at the bar and lounge area.
