Holding events and parties for VIPs is now a fuss-free affair with **Stamford Catering Services**. Their Premium Buffet (minimum order for 50 guests) gives the option of three menus to choose from, depending on your budget and preference. From the Taste of Class menu, enjoy dishes like poached prawns with mushrooms in cream sauce. Its Indulgence of Distinction menu even includes a roast beef carving station, while pan-seared salmon fillet is part of its Palate Enticer menu.
